

Welcome to the Polio Partners Group Meeting

28 April 2021 from 15:00-17:30 CET

As you join the meeting

- Please ensure you are muted unless speaking to avoid background noise
- So that we know who is who, please make sure your name follows the **'ORGANIZATION / FIRST NAME LAST NAME'** naming convention.
 - To change your name, click on the “Participants” button at the top of the Zoom window. 
 - Next, hover your mouse over your name in the “Participants” list on the right side of the Zoom window. Click “Rename.”
 - Enter your **'ORGANIZATION / FIRST NAME LAST NAME'** (e.g., **'WHO / John Doe'**) and click “OK.”

During the meeting

- Use the chat feature to ask questions and communicate with your fellow participants. You can make your questions “to everyone” or send them privately to the Moderator. 
- Use the raise your hand button, if you'd like to ask a question
 - Click on the icon labelled “Participants” at the bottom centre of your screen
 - At the bottom of the window on the right side of the screen, click the button labelled “Raise hand”
 - If you want to lower your hand, lower it by clicking on the same button, now labelled “Lower hand”

- **300+ stakeholders** (GPEI reps, donors, polio-affected countries, technical advisors, external stakeholder panel, etc.)
- **Eight working groups**

Polio Eradication Strategy 2022-2026

Shifts in new strategy

- Re-establish polio eradication as **a public health emergency**
- Hold governments, agencies and global partners **accountable** for progress
- Improve **community engagement** by addressing their needs and including their voices, and capabilities
- Balance **capacity and decision-making** between HQ **and regional and country teams**

GOAL 1: Permanently interrupt all poliovirus in endemic countries

GOAL 2: Stop cVPDV transmission, prevent outbreaks in polio-free regions

5 Strategic Objectives

Political advocacy to increase government ownership

Community engagement to drive demand for vaccination

Improve polio immunization campaigns to increase quality

Integrate with other health programs to reach more children

Expand surveillance for polio *and* other vaccine preventable disease

TIMELINE: Goals 1 & 2

	2021	2022	2023	2024	2025	2026
Goal 1: Endemic Countries	Begin implementing program improvements	Transmission limited to core reservoirs	Interruption of WPV1 and cVDPV2	Plan for polio transition	Continue polio transition planning	Certify eradication of WPV1 and validate absence of cVDPV2
Goal 2: Outbreak Countries	nOPV2 initial use	Phase out mOPV2	Report last isolate of cVPDV2 2 nd dose of IPV introduced in routine immunization		Anticipated nOPV1 and 3	Validate absence of cVDPV2 Anticipated trivalent nOPV

Budget requirements 2022-2026

Estimated cost: US\$5.3 billion

Main cost drivers:

- surveillance
- outbreak response and preventive campaigns
- integrated health services
- vaccine supply
- staffing

Other Major Developments

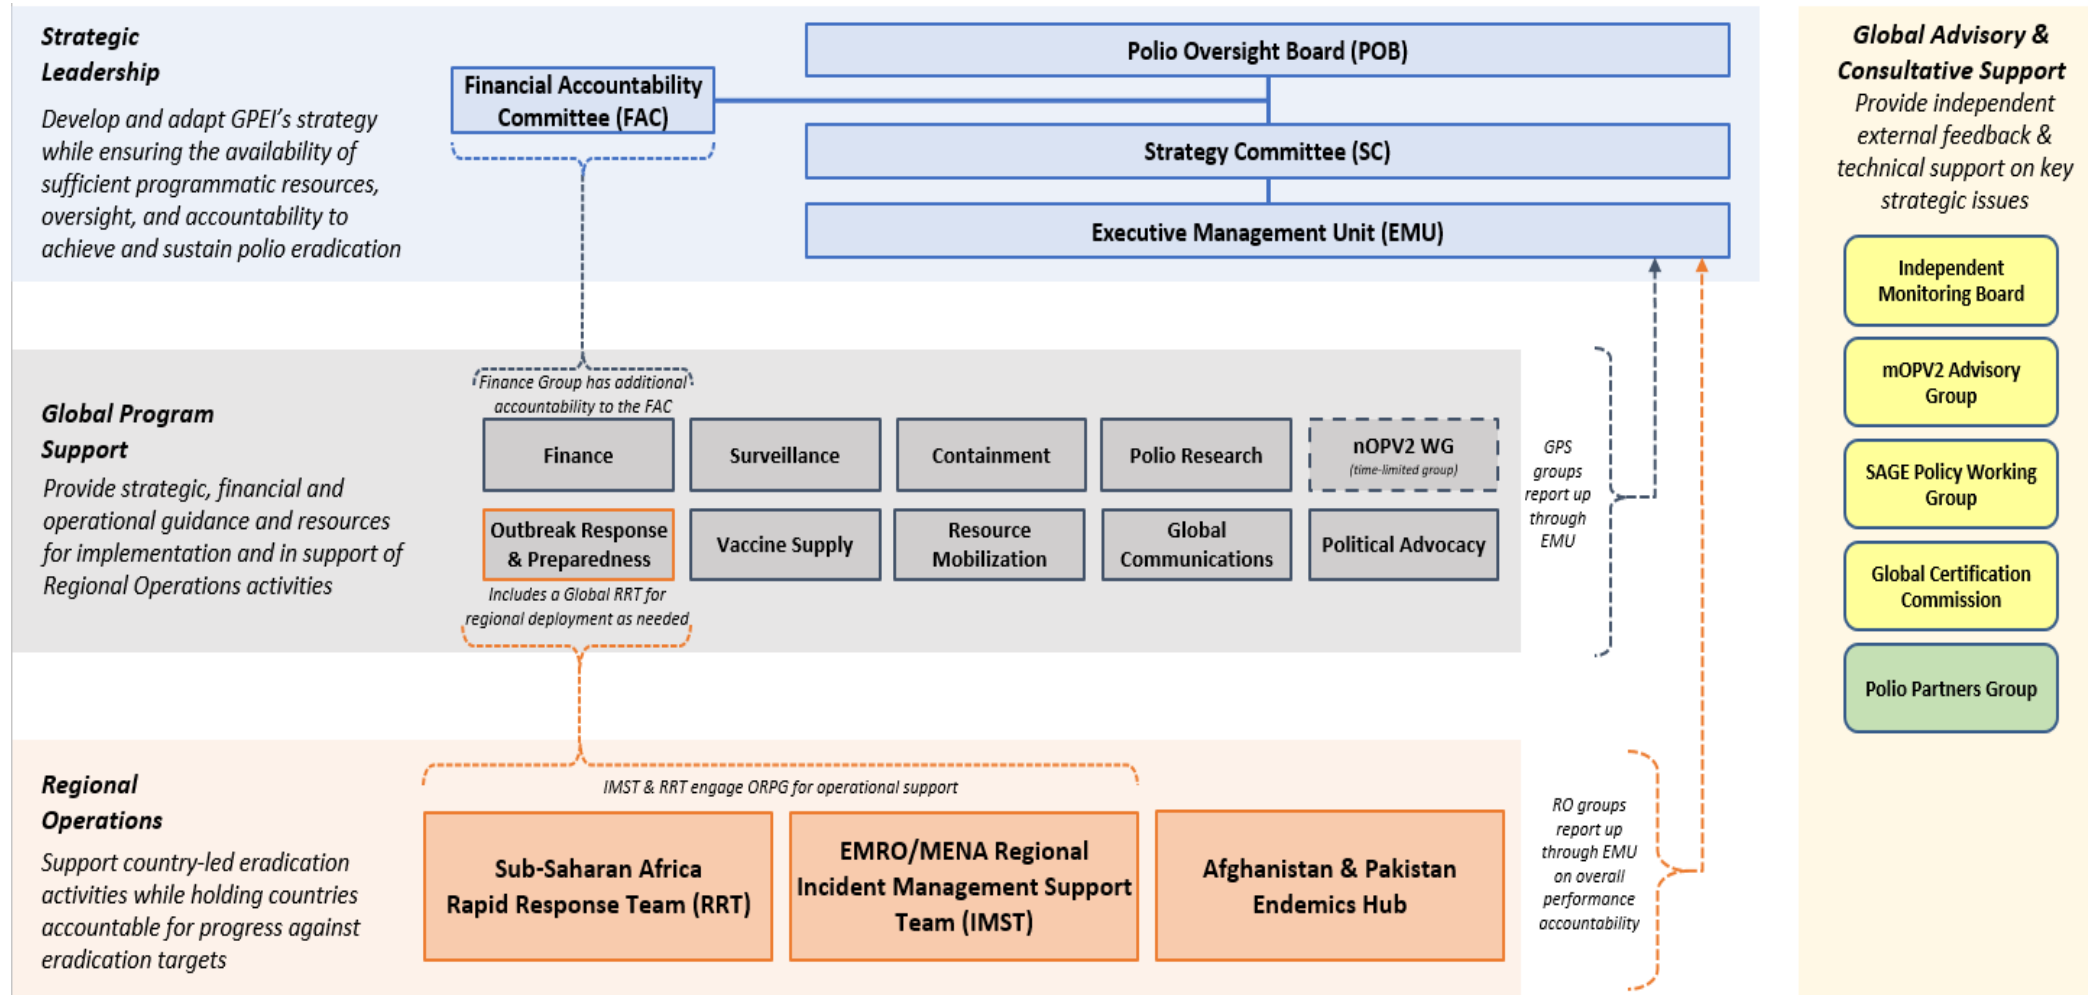

Governance Review:

- Donor representation on Polio Oversight Board, Financial Accountability Committee, Strategy Committee
- Increased engagement of the Polio Oversight Board
- Focus on Integration

Management Review:

- Reorganization of the GPEI structure
- Monitoring and Evaluation Framework, including key performance indicators, to monitor progress
- Increased focus on countries and regions

GPEI Management Structure

Thank you!
